

THE BOER WAR ENDED

THE BOERS HAVE SURRENDERED AT LAST.

Military Occupation to Be Withdrawn and Dutch to Be Taught in Schools.

LONDON, June 2.—Parliamentary papers issued tonight give a correspondence preceding the peace agreement. It appears that General Schalkbarger informed Lord Kitchener on March 12 that he was prepared to make a peace proposal. A month later the Boer delegates submitted the propositions. On April 11 War Secretary Boardridge refused to entertain any proposition based on independence of the republic. Subsequently President Steyn and Generals Schalkbarger and Botha declared that the surrender of independence must be submitted to the burghers in the field. On May 11 Schalkbarger and Steyn informed Kitchener that Burgher assembled at Vereeniging and had empowered the commission to negotiate the peace terms subject to ratification at Vereeniging.

LONDON WENT WILD. While London went temporarily mad in Saturnalia of rejoicing over the news from South Africa, a telegraphic nerve system of empire throbbled responsively from Canada and Jamaica and from India and Australia in the east came messages of congratulations and reports of local rejoicings. Gibraltar, Malta, Cairo, Bombay and Melbourne each in turn recorded the enthusiasm with which the news of peace was received.

The announcement of peace in South Africa was celebrated in London tonight with wild repetition of the Mafeking celebration. Hundreds of thousands of people surged through the streets of London from Whitechapel to Buckingham palace, but never at any time did the crowd equal those which originated the verb "to maffick." Tonight there was a tremendous noise in the street, pandemonium of horns and cheers and coarse jests of the costers; but the abandon which marked announcement of relief of Mafeking and Ladysmith was lacking. Very serious undecurrent of discontent among the Irish nobles showed that London did not show the same symptoms of rejoicing as on Mafeking night. In some quarters comment on the "Peace of Honor" ending of the war was that Great Britain has peace and Boers have all the honor. Several members of the house of commons freely admit that peace in South Africa might have been secured a year earlier.

SLEEP FOR BABY AND REST FOR MOTHERS

Sleep for Skin Tortured Babies and Rest for Tired Mothers, in Warm Baths with Cuticura Soap.

And gentle applications of Cuticura Ointment, purst of emollients and greatest of skin cures, to be followed in severe cases by mild doses of Cuticura Resolvent Pills. This is the most speedy, permanent, and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted, and pimply skin and scalp humours, with loss of hair, of infants and children, ever compounded.

MILLIONS OF PEOPLE USE CUTICURA SOAP, assisted by CUTICURA OINTMENT, for beautifying the skin, for cleansing the scalp, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, and for all the purposes of the toilet, bath, and surgery. Millions of women use CUTICURA SOAP in baths for soothing irritations, inflammations, and chafings, too free or offensive perspiration, in washes for ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves.

and upon better terms had not the British government been so obdurate.

CLOSING THE WAR.

PRETORIA, June 2.—A number of Boer leaders left here today. They are going to bring in the commandoes. It is expected these operations will occupy a fortnight.

AUTO AND TROLLEY CAR COLLIDE.

Four Persons Were Badly Injured, and Machine Crashed Through Wall.

NEW YORK, June 2.—Four persons here fatally, it is feared, in a crash at Rockaway beach between an automobile and a trolley car.

The injured are: Collard, William N., of Manhattan, legs and arms lacerate, Gilmore, William A., of Manhattan, cut on head, face and hands, Gilmore, Mrs. A., of Manhattan, internal injuries; small chance of recovery. Strassman, Dorothy, eight years old, of Manhattan, head crushed. All of the injured were in the automobile party, which was piloted by Mr. Gilmore, acting chauffeur. The automobile approaching at a high rate of speed, approached the Long Island railroad crossing at Wainwright Place. Darting along the tracks at the same instant sped a crowded trolley car, on route for Rockaway Park. Efforts of the motorman and chauffeur to stop were futile and the car struck the automobile.

Like a thing of cardboard the heavy machine was tossed into the air fully 15 feet. Its occupants were hurled heading in all directions and the machine was sent crashing through a stone wall. Rebounding from the impact the trolley car was thrown from the track while its panic-stricken passengers were tossed together under a downpour shower from lamps and windows.

Many were bruised or cut, but on the trolley car escaped serious injury. The four occupants of the automobile, bleeding and unconscious, lay where they had fallen.

FIGHT WITH INDIANS.

Mexican Soldiers Engage 200 in Battle, and Forty Indians Killed.

TUCSON, Ariz., June 2.—A battalion of the Mexican army commanded by General Torres, head of the army in Sonora, fought a desperate battle with 200 Yaqui Indians on the afternoon of May 29 at El Tanque, a small place not far from Hermosillo. A messenger arriving at Hermosillo brought only meagre details of the fight. Forty Yaquis were killed and twice that number wounded. The Mexican army lost 5 men, two of whom were volunteers. The Yaquis escaped toward the Mazatan mountains, leaving their dead. A large supply of ammunition and arms was captured.

Excitement is running high in Hermosillo and business is practically suspended, many of the merchants having joined the volunteer army. Appeals for aid have been received from a dozen surrendered towns and ranches are fleeing to the towns for protection. Reports have been received of four warlike bands of Yaquis, varying in numbers from 50 to 200. They have invaded ranches near Hermosillo.

WAR IN COLUMBIA.

Revolutionists Gaining Ground to Alarm of Government.

KINGSTON, Jamaica, June 2.—The British steamer Atrato arrived here from Colon, Columbia, he reports that there was heavy fighting at Bocas del Toro last week. The revolutionists are said to have mined the town of Bocas. While the government troops were marching into Bocas to recapture it, the mines were exploded and almost all the government soldiers killed. The revolutionists still remain in possession of Bocas. Colon and Panama are the only towns on the isthmus now in control of the government and troops are being poured into these two ports with the hope of stemming the revolutionary advance.

The revolutionists are winning so much sympathy upon every hand that the government has decided to reorganize its forces. The Atrato carried 40 government field officers from Escovado to Colon, including General Guivera who has been selected. It is rumored, as the new governor of Panama. The revolution in the isthmus now greatly hampers the fruit business there and it is impossible to predict when quiet will be restored.

MONTH OF SUICIDES.

CHICAGO, June 2.—Fifty persons committed suicide in Chicago during the month of May. This is the greatest number ever recorded according to the health department.

During the same period there were 124 deaths from Bright's disease, which is also unprecedented. The excessive and steadily increasing mortality from these two causes, as well as from pneumonia, says the department's report, is attributable to the baleful effects of the influenza poison, which is said to be a subject demanding a share at least of the attention being paid so exclusively to consumption.

Pears' No soap in all the world is so cheap. No soap in all the world is so good—none so lasting.

Sold all over the world. FIGURED IN LINCOLN TRAGEDY.

NEW YORK, June 2.—Absalom Ruggles Bainbridge, who at one time was under sentence of death for assistance he was charged with having given John Wilkes Booth, while the latter was making his escape after assassinating President Lincoln, is dead from apoplexy at his home in this city.

Mr. Bainbridge was born in Virginia in 1845. He entered the Confederate army under Colonel Mosby when he was 16 years of age and at the close of the war held the rank of lieutenant. When Colonel Mosby's command was dispersed Bainbridge and a cousin, Major Ruggles, who died in this city two weeks ago, were on their way home when they met Booth whom they unwittingly assisted to cross the river. The young lieutenant and his cousin were arrested and sentenced to death, but subsequently were released.

FOR FLIRTING BY TELEPHONE.

Young Woman Sentenced to Sixty Days Imprisonment.

NEW YORK, June 2.—Police Justice Marshall, of Mount Vernon, has sentenced Alice Myers, a young woman of that place, to 60 days in the county jail for flirting with a builder at Port Chester by telephone. Several months ago the builder met Miss Myers. She looked up his telephone number and was, his wife alleges, continually ringing up the house and asking him to meet her. Usually the telephone was answered by his wife, who exhausted every effort to find out her husband's admirer's name. Miss Myers' attorneys secured her release on a writ of habeas corpus.

CHILD LABOR.

Children Will Be Exhibited to Show Iniquity.

NEW YORK, June 2.—In order to

CRUTCH-BOUND

The crutch is a poor substitute for legs, and affords a very inconvenient and tiresome mode of locomotion—there is no more pathetic sight than a person slowly and painfully moving along the street supported by these artificial limbs.

When Rheumatism settles in the bones and muscles of the legs, it is safe to predict that the victim will eventually become helpless and crutch-bound. The corrosive, irritating matter that is deposited in the joints and muscles causes the most intense pain, the knees and ankles swell, and when the natural oils and fluids that lubricate these parts are completely destroyed the joints become locked and the muscles drawn and stiff, and crutches a necessity.

The acid poisons that produce rheumatic pains form in the blood, and are distributed through the system, and lodged in the arms, shoulders, hands, back and feet, or other parts of the body—resulting often in total disability. A permanent cure of Rheumatism can be effected only by a complete cleansing of the blood, and no other remedy so surely accomplishes this as S. S. S. It neutralizes the acid effects, purifies and invigorates the stagnant blood, and the gritty particles are washed out or dislodged by the new rich blood, and relief comes to the pain-racked sufferer. S. S. S. leaves no morbid, irritating matter in the blood to reunite and produce another attack, but expels every atom of it from the system. S. S. S. is a purely vegetable remedy, and does not impair the digestion or general health like alkali or potash remedies.

Write for our special free book on Rheumatism, and if any medical advice or other information is wanted, our physicians will gladly furnish it without charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.

JOCKEY SUSPENDED.

VIENNA, June 2.—An American jockey named Vandusen, of St. Louis, who rode Haxal, the favorite in the Australian derby which was run yesterday, was summarily and permanently suspended on charges of bumping and crossing. It is alleged Vandusen endangered the lives of four jockeys. This decision prevents Vandusen from riding anywhere in Europe and the United States.

Vandusen said to a representative of the Associated Press that he was at a loss to understand the charges, and asserted that his riding had been perfectly straight. The race was won by Lubber, an outsider.

WAYLAIN AND SHOT.

LOS ANGELES, June 2.—Bert C. Lewis, a special officer employed at the Burbank theater in this city was waylaid and shot through the body shortly after midnight while on his way home. It is not yet known how serious his wounds are. The shooting of Lewis recalls the wholesale murder of the Wilcox family near Downey in the latter part of last October. A. P. Wilcox, his wife and their infant son were cruelly butchered by unknown persons. The mysterious murders have never been cleared up. Mrs. Wilcox was the mother of Bert Lewis, who was shot tonight.

PREPARING FOR WAR.

NEW YORK, June 2.—President Castro, of Venezuela, has ordered of a German firm 10,000 Mauser rifles and five million rounds of ammunition, says a Willemstad, Curacao, dispatch to the Herald. This is regarded as proof that the Venezuelan government is short of arms and ammunition.
